## What's Happening at the EKA

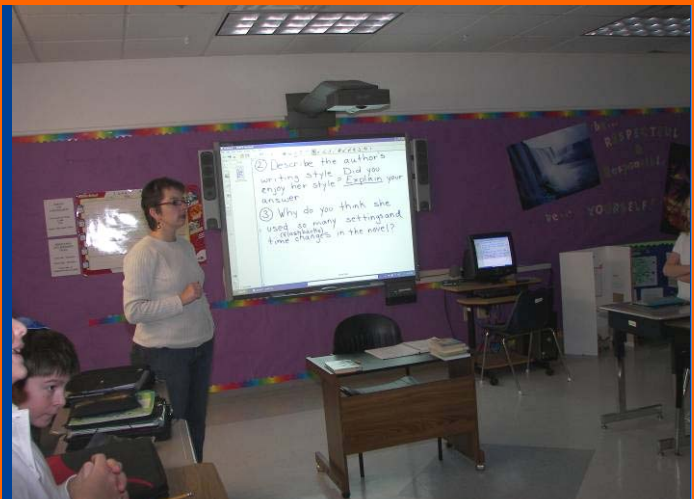

Science teacher Mrs. Lloyd observes as 8<sup>th</sup> Graders design their own experiment.

5<sup>th</sup> Graders completed a lab on how to use microscopes.

1<sup>st</sup> Graders get into the winter spirit by pretending to ice skate to the Blue Danube Waltz during their music class.

Mrs. Smith teaches 5<sup>th</sup> Graders using the SmartBoard given to the EKA by a Legacy Heritage Grant.

At the Middle School Chanukah Celebration, Rabbi Marrus entertained middle schoolers with a song he wrote about his students.
