### Please keep Sick Children at home

Due to the changes in weather and the cold season, we have had several students sick at school. If your child does not feel well or is running a temperature (over 98.6) PLEASE do not send him or her to school. Although your child will be greatly missed, we do not want other children or teachers to get sick. Thank you.

## Thank You Veterans!

EKA Students, Faculty and Campus Staff joined together at the flagpole to commemorate Veteran's Day and say thanks to our veterans for keeping us safe. Knesset Officers read President Obama's Proclamation, Ms. Oakes led us in the pledge and National Anthem, and Rabbi Marrus read a prayer for our soldiers.

## FYI: Highlights from Our Classrooms

6<sup>th</sup> Graders discover that static electricity can be a "hair raising" experience.
